## TSDS Code Changes

- 1. Will there be a due date extension for 2019 Discipline Data Validation compliance reviews due April 3, 2020?**

Yes. TEA is postponing the due date for assigned 2019 Discipline Data Validation compliance reviews until all LEAs are able to return to campuses and access relevant files to fulfill documentation submission requirements. LEAs that have already submitted should expect to begin review with Data Reporting Compliance Unit (DRCU) staff at that time. DRCU will issue a "To the Administrator Addressed" letter with additional instructions when new due dates can be determined.
